

Liverpool City Council Equal Opportunities Service

Liverpool City Council continues to work in partnership to progress equality and inclusion. The Council values diversity and we are currently developing our first Single Equality Scheme. The new scheme will set out the actions we plan to take over the next three years to achieve equality for our residents.

Liverpool City Council Equal Opportunities Service

What we do?

The Equal Opportunities Service is a corporate resource, working with all business units to improve access to services and opportunities. Our work involves:

- Working towards achieving excellence in terms of our work on equality as measured by the Equality Framework for local Government
- Developing a Single Equality Scheme
- Developing and monitoring policies and strategies
- Supporting managers to provide inclusive and responsive services across the community by promoting equality in service delivery and employment
- Recognizing peoples' individual qualities irrespective of age, gender, race, religion, sexual orientation and disability

• Offering advice to staff and the general public on equality issues affecting Liverpool City Council

• Monitoring workforce and employment policies by race, gender and disability to make sure all staff are treated fairly and in accordance with their individual needs

• Working in partnership with colleagues in the statutory and voluntary sector to progress equality and inclusion

We provide information in the following areas:

- Age
- Disability
- Equality Impact Assessment
- Gender and Gender Identity
- Lesbian, Bisexual, Gay and Transgender

• Race including Gypsies and Travellers

• Religion

• Sexual Orientation

• Work force monitoring
